

# LAWRENCE EVERSON

www.LawrenceEverson.com

---

Independent contractor and digital media producer for a wide variety of film, web, and interactive projects. Excels at both the creative and organizational aspects of media creation, with in-depth experience working on all sides of the line, from contract artist to project manager.

Versatile and multi-faceted, with expert knowledge of multiple media software suites and production processes, and actively choosing a wide range of freelance work that utilizes diverse and challenging sets of abilities.

Recent projects include:

- Sound Design and Production Recording work for the U.S. Army to help create new specialized fully-immersive interactive counter-IED training facilities.
- Documentary film and still-photography work in rural Uganda, the Himalayan mountains and Mt. Everest Base Camp, and across Lebanon in the Middle East
- Mixing the feature-documentary '45365', winner of multiple awards including the 2010 Truer than Fiction Independent Spirit Award, the 2009 South By Southwest Grand Jury prize for Best Documentary, the Black Bear award for Best Sound Design from the 2009 Athens International Film Festival, amongst numerous other awards and accolades.
- Photography commissioned by Sprint and Verizon for use as mobile and desktop graphics.

Past work experience includes Xbox game development for Vivendi Universal, and 3 years as creative director and head of production for MGA DVD Games, directing such titles as Jeopardy and Wheel of Fortune.

Personal production studio includes Blue Sky 5.1 surround monitoring, Pro Tools 9 audio editing and mixing workstation, Whisper Room equipped voiceover recording facilities, multichannel mobile field recording rig, Final Cut Studio video editing suite, as well as photography and graphic design studio space. (Email for full equipment listings).

Loves being in team-based environments, challenges that involve numerous abilities and skillsets, and working on creative projects with creative people.

---

Digidesign Pro Tools 9 (with extensive additional plugin software), Final Cut Studio 2 (Final Cut Pro, Soundtrack, Compressor, Color, Livetype, Motion, DVD Studio Pro), Adobe CS3 Production Premium Suite (Premiere, Soundbooth, Photoshop, After Effects, Bridge, Adobe Camera RAW), Lightroom 2.

High quality professional location sound rig specialized for documentary and ENG shoots.

Owns multiple HD video and DSLR still-image cameras. Working experience with many more.

---
